

Find your ring size

A4 / Print at 100% or Actual Size

Select the matching paper size and turn off Fit to Page before printing.
Check the line below with a ruler. It must measure exactly 50 mm.
If it does not, correct the print settings before using this guide.

Use a ring that fits the same finger comfortably.
Match its inside edge to the outside edge of a printed circle.
The upper label is the US size. The lower label is the inside diameter.

US 4	US 4.5	US 5	US 5.5	US 6
				
14.9 mm	15.3 mm	15.7 mm	16.1 mm	16.5 mm
US 6.5	US 7	US 7.5	US 8	US 8.5
				
16.9 mm	17.3 mm	17.7 mm	18.1 mm	18.5 mm
US 9	US 9.5	US 10	US 10.5	US 11
				
18.9 mm	19.4 mm	19.8 mm	20.2 mm	20.6 mm
US 11.5	US 12	US 12.5	US 13	
				
21.0 mm	21.4 mm	21.8 mm	22.2 mm	

A printed guide gives an estimate. A jeweler can confirm your fit,
especially for wider bands, prominent knuckles or a result between sizes.
